**SCORE/GRADE:**

**CHARACTERS:** *The Cricket in Times Square*

Answer the three questions below in complete sentences.

1. *Who is the protagonist of this story?*

Chester Cricket is protagonist of this story.

2. *What does the protagonist want most?*

Chester wants his friends, the Bellinis, to prosper and he also wants to be at home in Connecticut.

3. *Why can't the protagonist have what he/she wants?*

The Bellinis are poor because their newspaper stand is unsuccessful, and Chester can't be at home because he was accidentally taken to New York city in a picnic basket.
