**SCORE/GRADE:**

**CONFLICT: *The Cricket in Times Square***

Describe the conflicts present in the story by giving each of the characters below a single sentence that describes his or her *physical appearance*.

Sometimes story questions are not particularly relevant to your chosen story. When this is the case, it is appropriate and advised to choose another assignment. In *The Cricket in Times Square*, physical appearances have little to no connection to the conflict, so this exercise would not be particularly helpful in a discussion.
